

To whom it may concern,

Due to the lack of parking around the 600 Block of North Patterson Avenue
in downtown Winston-Salem,

ROAD [Company Name] fully support
Prime Parking Inc.'s proposal to operate a valet lane in front of 633 Liberty
Street, as outlined by Prime Parking Inc.'s proposal to City Council.

With a valet operation in place, we believe clients would have much easier
access to the development, while enhancing the general flow of traffic in the
area. This service will make the development and downtown area more
appealing and will allow for further growth in the city of Winston-Salem
while simultaneously making businesses in the area more accessible.
