HUMAN RELATIONS COMMISSION

MISSION STATEMENT

The mission of Human Relations is to create, facilitate, promote, anticipate, study, and recommend programs, projects, feedback, and actions for the elimination of discrimination in any and all fields of human relationships.

COMMISSION'S VISION

“Winston-Salem—A Place Where Everyone is Treated Fairly”

HISTORY

In February 1978, the City Council amended Section I, Chapter 2 of the City Code and created the Winston-Salem Human Relations Commission by adopting an ordinance entitled “An Ordinance Creating A Human Relations Commission.” In June of 1978, the Commission was funded \$31,000 by the City Council to carry out the provisions of the Ordinance. On August 2, 1978, A Memorandum of Understanding was signed between the City of Winston-Salem and the U.S. Department of Housing and Urban Development. Through this agreement, the City established a fair housing strategy task force, which became the New Horizons Fair Housing Committee, the only mandated committee of the Human Relations Commission. The first Human Relations Director, Herman Aldridge, was hired on October 30, 1978, as Director of the Human Relations Department.

THE COMMISSION'S RELATIONSHIP TO CITY GOVERNMENT

The government of the City of Winston-Salem and the general management and control of all its affairs are vested in the City Council and the Mayor. The City Council appoints the City Manager who is the administrative head of City government and is responsible for the administration of all departments of City government. The City Council is also the appointing authority for members of the Human Relations Commission.

The Commission keeps the City Manager and the City Council informed of its activities. To further that communication, the chairperson or a designated member of the Commission shall appear annually before the City Council to provide them with information on the pulse of the community; a yearly progress report on Commission programs and projects; and a presentation on noted problem or possible problem areas within the community.

The Commission makes suggestions and recommendations to the City Council concerning new City ordinances or amendments to existing local ordinances relevant to the welfare and needs of the citizens of Winston-Salem.

THE COMMISSION'S RELATIONSHIP TO THE STAFF

The Commission's relationship with the Human Relations staff involves advising in the directing of staff regarding fair housing and cultural community concerns and issues. During the process of initiating programs and investigating complaints and problems, the Commission calls on the staff for technical assistance and research into matters that are brought to the Commission.

THE COMMISSION'S RELATIONSHIP TO THE COMMUNITY

The Human Relations Commission is the body through which citizens' problems and concerns can be relayed to City officials. Often, this is accomplished through public hearings and forums. Through these hearings and forums, the Commission can actively solicit citizen input and monitor the climate of the community in an effort to proactively minimize problems and stay abreast of changing needs. Citizens may also contact individual Commissioners with concerns or attend Commission meetings and voice their concerns.

THE WINSTON-SALEM HUMAN RELATIONS COMMISSION

OVERVIEW

The Winston-Salem Human Relations Department is the working arm of the Commission and is responsible for the overall operation of the Department and Commission.

The staff is comprised of a Human Relations Director, two Human Relations Specialists, an Outreach Specialist, and an Intake Specialist, who work under the general direction of the City Manager. The staff is guided by laws, ordinances and regulations pertaining to the operation of municipal government and is subject to policies, procedures and guidance adopted by the Winston-Salem City Council.

The staff performs professional and creative work in planning, promoting, coordinating, and implementing programs related to an extensive range of municipal human relationships. The objectives of the programs are to eliminate discrimination and to develop mutual respect and understanding among all racial and ethnic groups throughout the city. The work requires specialized performance on a wide variety of human problems and human relationships, which are generally of a complex social nature. The Director, through her staff, provides liaison, clerical assistance, and research support to the Commission and the committees appointed by the Commission.

Activities of the Commission are oriented toward the reduction of conflict and tension among all racial and ethnic groups, and toward equal rights, responsibilities and privileges for all citizens of the community. The Director also affects and maintains liaisons and coordinated relationships between her department and other City departments, boards, committees and commissions, organizations and agencies within the City.

The Commission establishes and maintains efficient, effective and dependable communication with individual citizens, citizen groups, the business community, churches, and social organizations as a representative of City government in a continuous relationship.

MANAGEMENT'S COMMENTS

WANDA ALLEN-ABRAHA, DIRECTOR

The vision of the Winston-Salem Human Relations Commission is: **“Winston-Salem: A place where everyone is treated fairly.”** Since the arrival of the current director in November 2001, the Commission continues to make improving its image and visibility in the community a Strategic Action Plan priority. By implementing the director's approach in implementing new systems and streamlining successful procedures, an increase in productivity with regard to the number of investigations, special projects, and community outreach efforts will result. Specifically, the department continues to disseminate quarterly newsletters and tape two quarterly television shows on WSTV-13 (Nexus and Tu Comunidad) that feature human relations topics, programs, issues, and partners.

The Commission continues to focus its investigations on the areas in which it has jurisdiction and enforcement authority. These areas are primarily focused on discrimination issues, as described in the Fair Housing Act. The Department will also continue to mediate, investigate and process landlord/tenant issues, as per North Carolina General Statutes, specifically Chapter 42. Additionally, the Department has forged an historic partnership with the Forsyth County District Court, the City Attorney's Office, and Legal Aid of Northwest North Carolina to implement the Alternative Residential Mediation program, which will provide residents with a free, expedient, non-litigious way to resolve landlord/tenant complaints. It is the first of its kind in North Carolina.

The Commission continues to participate in the administration of the Fair Housing Assistance Program (FHAP) grant through the U.S. Department of Housing and Urban Development (HUD). The FHAP grant's focus parallels the focus of the Commission by emphasizing the importance of continual community education and outreach. Additionally, the FHAP grant utilizes a system of tracking fair housing investigations that is compatible with the Department's internal system of ensuring a thorough, step-by-step process for enforcing the Fair Housing Act.

The Commission will continue its focus on community education and outreach with respect to Fair Housing and landlord/tenant laws. The Commission will expand its efforts in ensuring that every segment of the City's population has access to the services of the Department. For instance, the Department launched the Fair Housing Media Campaign to begin a multi-media effort to raise awareness of the investigative and mediation services that are offered by the department. Specific media outlets include the Internet, radio, television, and print media. The Department also continues to employ two bilingual staff members who can communicate with members of the Hispanic community. Staff will continue to field questions from the general public via telephone and in person. Staff will also continue to conduct and track at least one outreach and/or training per month.

DESCRIPTION OF COMMISSION PROGRAMS/PERFORMANCE MEASURES

- I. **Complaint Resolution.** This program receives, investigates, conciliates, and mediates citizens' allegations of discriminatory civil rights complaints and unfair treatment in residential housing based on race, national origin, gender, familial status, disability, and color, and religion, as per the federal Fair Housing Act. This program also promulgates adherence to North Carolina General Statute Chapter 42, as it relates to landlord/tenant law.
- II. **Education and Training.** This program sponsors education, training, and outreach that provide formal, informal, and informational classes and seminars to citizens, citizen groups, businesses, and others about fair housing, landlord/tenant issues, cultural diversity, disability, and other human and civil rights issues.
- III. **Community Relations.** This program sponsors and co-sponsors forums and projects for the community that provide information to citizens in partnership with community grassroots organizations and agencies who serve specific segments of the population who are traditionally overlooked.
- IV. **Limited English Proficiency.** This program and policy sets forth the basic requirements and procedures intended to ensure City of Winston-Salem government takes reasonable steps to consistently meet its legal obligation of language access requirements in compliance with Title VI and E.O. 13166. The City of Winston-Salem is committed to improving the accessibility of services to persons with Limited English Proficiency (LEP) and to developing and implementing a system that gives LEP persons "meaningful access" to the City of Winston-Salem's programs and services. The City of Winston-Salem has adopted the goal of improving Hispanic Relations, as per the City Council's Strategic Plan. As a result, the City of Winston-Salem has delegated authority for an LEP Compliance Coordinator (the Human Relations Director) within the Human Relations Department.

Congress enacted Title VI of the Civil Rights Act of 1964 to ensure federal money is not used to support discrimination on the basis of race or national origin in government activities. Section 601 states: "No person in the United States shall, on ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." Neither Title VI, nor its implementing regulations discuss linguistic access per se; however, the courts have consistently found a close connection between national origin and language.

In 2000, the President signed Executive Order (E.O.) 13166 mandating all federal agencies and recipients of federal financial assistance take reasonable steps to ensure meaningful access to their programs to limited English proficient (LEP) individuals. These individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter.

DESCRIPTION OF PROGRAMS CONTINUED

The City of Winston-Salem receives federal funding in support of programs, services, and activities through the following all departments receiving federal funding. The City also receives special federal grants or appropriations from time to time to undertake capital projects.

The LEP Compliance Coordinator (Human Relations Director) in the Human Relations Department is responsible for examining all City services, providing outreach to the growing LEP community, and interfacing with all City Departments to help ensure meaningful access to LEP clients and customers. The LEP Compliance Coordinator is able to assist and support Departmental staff in assessing their specific needs and preparing a draft LEP document. The LEP Compliance Coordinator performs the role of resource and advocate for effective plan development.

The LEP Compliance Coordinator also coordinates the Spanish Language Assessment Tool used by hiring Departments in conjunction with normal Human Resources processes to evaluate the Spanish language proficiencies of prospective employees whose jobs may require or prefer bi-lingual abilities, or current employees who may be called upon by the Department to assist their Spanish-speaking customers or clients.

The LEP Compliance Coordinator is not unilaterally responsible for directly providing translation or interpretation services to City Departments. The LEP Compliance Coordinator is responsible for identifying and maintaining a network of qualified community resources for referral to City Departments.

V. Boards and Commissions

College Advisory Board (CAB) (See the separate College Advisory Board Annual Report)

In May 2010, the Winston-Salem City Council designated the Human Relations Department to administer a newly-created advisory board consisting of full-time volunteer college students from Forsyth County colleges and universities. The newly-created College Advisory Board (herein after referred to as "CAB") advises the Winston-Salem City Council regarding matters of interest to students who are enrolled in colleges and universities in Winston-Salem.

The CAB serves to represent the needs, interests, and concerns of college students and recent graduates by engaging them in relevant community projects, programs, and issues. The CAB serves as a college advisory entity to the City Council regarding areas such as economic development projects, transit advocacy, and student housing issues (and other issues the group may suggest) that will encourage students to remain in Winston-Salem post graduation. All of these areas either directly or indirectly impact student fair housing opportunities and/or impediments.

DESCRIPTION OF PROGRAMS CONTINUED

One of the goals and objectives of the CAB is to voice concerns and resources pertaining to off-campus student housing issues involving landlords, property managers, and fair housing matters. A specific plan of action is to develop a sub-committee of the CAB to receive and mediate fair housing and landlord/tenant issues, which could potentially develop into fair housing complaints, from the college students and against the college students who reside in off-campus housing. This sub-committee would work in partnership with other city departments and community agencies, as needed. Fair housing and landlord/tenant training would also be a component of the resolution. CAB students and neighborhood leaders would be encouraged to coordinate and assist in conducting these trainings in partnership.

The duties of the board are:

- (a) Suggest and contribute ideas to economic development projects that will appeal to college students and young professionals;
- (b) Advocate for public transit availability and accessibility at various colleges and universities;
- (c) Voice concerns and resources pertaining to off-campus student housing issues involving landlords, property managers, and fair housing matters;
- (d) Actively engage in learning about community leadership opportunities that will encourage and foster partnerships with colleges and universities, as well as young professionals; and
- (e) Encourage college students to remain in Winston-Salem after graduation.

2020-2021 College Advisory Board

Human Relations Commission (HRC)

In 1975, the Winston-Salem Human Relations Commission was established as an advisory board by city ordinance by the Board of Aldermen (now the "City Council"), pursuant to the provisions of G.S. 160A-492. The Commission was originally established to study race relations and forms of discrimination. The nature and the extent of its policies and programs are determined and set by the commission and shall be implemented within accepted policies and procedures of the city.

The Duties of the Commission are:

- (A) To **study problems of discrimination** in any or all fields of human relationships and **encourage fair treatment and mutual understanding** among all ethnic groups in the city;
- (B) To **promote equality of opportunity** for all citizens;
- (C) To **provide channels of communication** among all ethnic groups;
- (D) To **encourage the employment of qualified people** of all ethnic groups;
- (E) To **encourage youth** to become better trained and qualified for employment opportunities;
- (F) To **anticipate and discover those practices and customs most likely to create animosity and unrest** among racial and ethnic groups and by consultation **seek a solution** as these problems arise or are anticipated;
- (G) To hold such meetings as the Commission may deem necessary or proper to assist in carrying out its functions;
- (H) To **make recommendations to the City Council** for action it deems necessary to the furtherance of harmony among racial and ethnic groups in the city; and to perform such other duties consistent with the general law as may be assigned it from time to time by the City of Council.
- (I) On August 2, 1978, A Memorandum of Understanding was signed between the City of Winston-Salem and the U.S. Department of Housing and Urban Development. Through this agreement, the City established a fair housing strategy task force, which became the New Horizons Fair Housing Committee, the only mandated committee of the Human Relations Commission.

Through efforts of the New Horizons Fair Housing Committee and others, the Board of Aldermen adopted the Winston-Salem Fair Housing Ordinance on May 17, 1982. In addition to the Ordinance, the City Council adopted Rules and

Regulations to provide guidelines for the Human Relations Staff in carrying out the provisions of the Ordinance.

- (J) In accordance with the ordinance amending Article III, Division 8 of Chapter 2 of the City Code, as adopted by the City Council on January 21, 2003, **to facilitate partnerships with fair housing and cultural community organizations** in furtherance of the Commission's purpose.
- (K) In accordance with the ordinance amending Article III, Division 8 of Chapter 2 of the City Code, as adopted by the City Council on January 21, 2003, to perform other duties as necessary to enforce the powers assigned it in accordance with Article IV, the Fair Housing Ordinance of the City of Winston-Salem, of Chapter 38 of the City Code.

The Fair Housing Ordinance makes it unlawful for an owner or any other person engaging in a real estate transaction, or for a real estate broker or salesman to discriminate because of race, color, religion, national origin, or sex, against a person or a person residing with that person or of friends or associates of that person. The Federal Fair Housing Law was amended on March 12, 1989, to include handicapped and families with children as protected classes under the law. These are now included in the Winston-Salem Fair Housing Ordinance.

The Commission has three other standing committees -- Community Relations, Hispanic Relations, and Student Relations. The **Community Relations Committee** duties are to develop programs to enhance cultural exchange, such as Beyond Soul and Salsa, as well as interfaith networking and events; **Multicultural Relations** partners with Hispanic organizations to develop outreach for and to educate the Hispanic community, such as Fiesta; and **Student Relations** develops programs to engage the youth in leadership and civil rights education and training, such as the annual awards banquet.

Although these committees must be chaired by a Human Relations Commissioner, MEMBERSHIP ON ANY OF THE HUMAN RELATIONS COMMISSION'S COMMITTEES IS OPEN TO ALL INTERESTED RESIDENT(S) WHO RESIDE IN THE CITY.

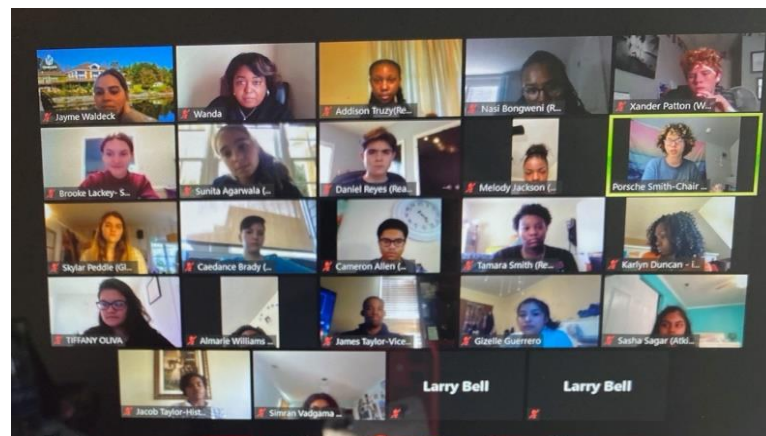

Youth Advisory Council (YAC) (See the separate Youth Advisory Council Annual Report)

In 2010, the City Council designated the Human Relations Department to administer the Youth Advisory Council. The purpose of the Youth Council will be to provide a venue for youth between the ages of 14-18 to have an active means of civic engagement in local government. General duties will include, but will not necessarily be limited to:

- (1) Actively promoting the participation of the youth in city government programs and activities;
- (2) Promoting positive human relations among all youth;
- (3) Providing channels of communication among all ethnic groups;
- (4) Encouraging the employment of qualified people of all ethnic groups;
- (5) Encouraging youth to become better trained and qualified for employment opportunities;
- (6) Performing duties consistent with general law as may be assigned it from time to time by the City Council; and
- (7) Performing such other duties as necessary to enforce the powers assigned to it.

As established by the City Council, the Youth Council's mission is to serve as a conduit between city government and their younger constituents. Their core focus is to include youth civic engagement by way of community programming, developing youth-oriented activities, contributing at least 40 volunteer hours per school year to government-related initiatives, projects, and programs, providing information to the community regarding topics that are important and relevant to the youth in our community, and to advise the City Council and the Human Relations Department on matters that relate to the community's youth population.

The Youth Council is charged with the authority and responsibility of making recommendations to the City Council concerning the needs and concerns of community youth and the appropriate means by which city government can work with public and private agencies to address such needs and concerns.

RECOMMENDATIONS TO THE CITY COUNCIL

The Human Relations Commission in adopting its new Strategic Plan recognizes the need to continue fostering an environment that initiates and supports multiracial and multi-ethnic dialogue and understanding in our community. We respectfully request your support of the following recommendations:

1. The Human Relations Commission recognizes the importance of building and maintaining effective lines of communication between city government and the community. By improving the dialogue with our diverse community groups, city government can ensure that the City of Winston-Salem fosters an environment that is conducive for an atmosphere in which everyone is treated fairly. In carrying out its strategic goals, the Commission will **increase its outreach efforts in all areas of the community and will seek input from the City Council on issues or concerns in their respective wards**. We ask that the City Council support the Commission's goals in this effort.
2. We ask that the City **Council support the Commission's goal of building a stronger relationship with City officials and City commissions**.
3. We ask that the City Council **support the Human Relations Department as it provides a bilingual staff member** who can assist with proactive outreach measures that will facilitate building positive relations between the City government and our rapidly increasing Hispanic population.

The Commission appreciates the continual support it has received from the City Council. Your continued support will only strengthen the Human Relations Commission efforts in working on behalf of all the citizens in Winston-Salem.
