Strategic Focus Area: N/A

Strategic Objective: N/A

Summary of Information:

The Federal Transit Administration (FTA) Section 5307 funds are appropriated to urban areas with more than 200,000 in population and are used for operating and capital assistance.

The Winston-Salem Urban area has received a full appropriation of the FTA FY 2025 Section 5307 Formula funding in the amount of \$6,947,089 for FY 2025. The city of Winston-Salem is the designated recipient of this funding for the Winston-Salem Urban Area. At the July 2025 Transportation Advisory Committee (TAC) meeting, the Winston-Salem Urban Area TAC approved the 2025 apportionment to the three eligible sub-recipients and for Job Access and Reverse Commute (JARC) agencies for funding: the Winston-Salem Transit Authority (WSTA) receives \$5,956,143, the Piedmont Authority for Regional Transportation (PART) receives \$660,951, Davidson County Transportation receives \$274,994, and JARC agencies receive \$55,000.

As a direct recipient of FTA funding, Davidson County Transportation is eligible to apply directly to FTA for its portion of the Section 5307 funds if the City of Winston-Salem issues a sub-allocation or split letter so that they can apply to receive these funds.
