**Council Action Requested:**  
Resolution Authorizing the City Manager to Approve a One-Year Extension to the Contract with Transdev Services Inc.

**Strategic Focus Area:** Quality Transportation  
**Strategic Objective:** Enhance Public Transit  
**Strategic Plan Action Item:** No  
**Key Work Item:** No

**Summary of Information:**

The Winston-Salem Transit Authority had a five-year agreement with Transdev Services Inc. (Transdev) to manage, supervise and conduct the operation of the Transit Transportation Services. This agreement was extended for three additional years and is scheduled to end on July 31, 2023. To allow time for the Transit Authority and City Council to consider the options of engaging in a full operations contract or to maintain an administrative contract, staff recommends extending the current contract with Transdev for one more year. Transdev has agreed to a one-year extension with fees totaling \$352,824 or \$29,402 per month.

Included in the term extension contract is an amendment that more clearly defines the financial responsibilities of the City and Transdev. No other terms of their agreement with the Transit Authority will change.
