

City Council – Action Request Form

Date: November 13, 2017

To: The City Manager

From: Gregory M. Turner, Assistant City Manager

Council Action Requested:

Consideration of a Resolution of Support for a proposed roundabout at the intersection of Clemmons Road (SR 2747) and Griffith Road, to be funded by the “Current Operations Appropriations Act of 2017”

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

As part of Senate Bill 257, “Current Operations Appropriations Act of 2017”, Section 34.7.(c) High-Impact and Low-Cost Projects, the North Carolina Department of Transportation (NCDOT) developed a quantitative, evidence-based formula to use in selecting projects to receive funding under the program. Projects funded under this subsection include intersection improvement projects, minor widening projects, and operational improvement projects.

Projects funded through this program, unless otherwise approved by the Secretary of Transportation, are expected to be under construction (contracts awarded) within 12 months of funding approval by the Board of Transportation. High Impact/Low Cost project funding share do not exceed \$1.5M on any single project unless otherwise approved by the Secretary of Transportation.

NCDOT Division 9 is receiving \$3,400,000 over the next two years. They have formulated a list of candidate projects for this division, suitable for meeting the requirements of the program. These projects will be ranked based on established scoring criteria. The highest ranking projects will receive funded first. Any remaining projects will be kept in an active list should additional funding become available.

Committee Action:

Committee	Public Works 11/14/17	Action	Approval
For	Unanimous	Against	

Remarks:

NCDOT Division 9 has proposed a roundabout at the intersection of Clemmonsville Road (SR 2747) and Griffith Road in the amount of \$1,490,000. The project resides within the jurisdiction of the City of Winston-Salem. Any project exceeding \$250k total project cost (all funding sources) requires a resolution of support from the appropriate local government agency prior to authorization of funding. There is no local funding match required under this State program.
