

City Council – Action Request Form

Date: November 9, 2020

To: Mayor, Mayor Pro Tempore and Members of the City Council

From: Damon Dequenne, Assistant City Manager
Toneq' McCullough, Director of Transportation

Council Action Requested:

Ordinance Designating On-Street Handicap Parking Space at 1319 Marne Street

Strategic Focus Area: Quality Transportation

Strategic Objective: Improve Integrated Road Network

Strategic Plan Action Item: No

Key Work Item: No

Summary of Information:

The Department of Transportation received a request to install on-street handicap parking space at 1319 Marne Street. Existing ramps are not available at this location, therefore the installation of a new curb ramp will be required. Attached is a map of the proposed location of the handicap space and a new handicap curb ramp.
