Summary of Information:

Public Art 2020-2030 – Winston-Salem/Forsyth County is the Winston-Salem/Forsyth County Public Art Commission’s draft plan for the next decade. The plan sets out a vision for public art, goals to achieve, potential locations for public art, and recommended project ideas. It was developed over the last two years by the Public Art Commission and Planning and Development Services staff with input and participation from area citizens at eight community meetings and through two online surveys.

The Public Art Commission held a public hearing on the draft plan on October 6, 2020 and unanimously recommended the plan to City Council. The plan is scheduled for a City Council public hearing on April 5, 2021, and staff will be available at the March 16 Community Development/Housing/General Government Committee meeting to give a presentation on the plan.
