Planning Bd. Meeting on Nov. 8

W-3390
OPPOSITION LETTER
PG. 1 OF 5

11/2/18

To: Bryan Wilson

Since I have to be out of town when this meeting takes place, I am sending you these letters to present on our behalf.

Most of the signees have to work during the hours of the meeting, but there should be some representatives present.

I really appreciate the time you took to talk with me on the phone, and the attention you have given this matter.

Sincerely,

Paul Grier

To: the Winston Planning Board,

In reference to Docket #W3390

Hanes Town has always been a quiet and pleasant place to live and do small business. We need to preserve this and look forward to maintaining that and its' historical value to the City.

Thusly, we do not feel a 4000 sq.ft. "Kennel" is in keeping with that goal. While we appreciate what AARF represents, we view its endeavors to be better suited outside of a "neighborhood".

Please help us keep our investments safe and not rezone for this project.

Sincerely,

The Hanes Town Business's
and Residents
