**Key Work Item:** No

Planning and Development Services staff will share information and updates on the 2020 Census outreach efforts in light of the COVID-19 pandemic at the June 9, 2020 Community/Development/Housing/General Government committee meeting. Due to the COVID-19 pandemic, the Census Bureau suspended public facing operations in March 2020. These operations are due to resume on June 1, 2020. This briefing will include information on modifications to local outreach efforts as well Census Bureau outreach updates due to the COVID-19 pandemic.

Staff will be available to answer any questions at the June 9<sup>th</sup> CD/H/GG meeting.
