

APPROVAL
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3433
(CITY OF WINSTON-SALEM)

The proposed zoning map amendment from Forsyth County AG (Agricultural District) to Winston-Salem AG (Agricultural District) is generally consistent with the *Legacy Comprehensive Plan's* recommendation to retain our distinctive community character and manage growth by protecting farmland and open space; therefore approval of the request is reasonable and in the public interest because:

1. The proposal will reclassify the newly incorporated property from its Forsyth County zoning classification to the equivalent City of Winston-Salem zoning classification.
