Subject: Site plan for 3300 Rey Rd

Good morning gentlemen, having spent over a quarter of a million dollars In remediation monies to fix our funeral home located at 2951 Reynolda rd, following the exit of our past tenant SCI international of 20 years we would appreciate seeing a site plan describing the proposed changes for this site. Obviously we are happy w the present plan and see no reason to expand the perimeters for other uses.

Respectfully,
Mosby Vogler
