Representative Donny Lambeth
North Carolina General Assembly
4627 S Main Street
Winston-Salem, NC 27127

Dear Representative Lambeth,

We greatly appreciate the work you are doing on behalf of the citizens of Forsyth County and Winston-Salem.

The purpose of this letter is to amend our request for assistance with the construction of critical infrastructure improvements in the Coliseum/Fairgrounds area. My earlier letter provided more in-depth information about the need.

As you will recall, the cost of these improvements will exceed \$50,000,000.00. Therefore, we request your assistance in obtaining funds to cover a majority of these improvements.

Please let me know if you have any questions or if it would be helpful for me to come to Raleigh to present before a committee.

Again, we are very grateful for your help.

Sincerely,

J. Allen Joines
Mayor
