

## **Canal Northwest W-3374 Neighborhood Outreach Report**

On June 5, 2018 from 6pm to 7:30pm, a neighborhood drop-in meeting was held at the William G. White Jr. Family YMCA in the West End Room. Invitation letters were sent to 67 properties within 500 feet of the subject site. Five neighbors attended the drop-in meeting. An aerial exhibit displaying the site location and general overview of the rezoning request was shared with each attendee. No concerns were expressed by any of the attendees and two were openly supportive of the rezoning request.

Respectfully submitted,
