SUBJECT: Demolitions for January 10, 2023
Community Development/Housing/General Government Committee Meeting

Historic Resources staff has reviewed the one property that is scheduled to go before the Community Development/Housing/General Government Committee on January 10, 2023 for demolition consideration. Per the list provided by Community Development, the proposed demolitions are:

1. 2420 Sunnyside Avenue (Burned Structure) – Southeast Ward

Local Historic Landmarks or Local Historic/Historic Overlay Districts

None of the buildings are Local Historic Landmarks or located within locally designated historic districts or National Register District.

National Register Historic Districts

The house at 2420 Sunnyside Avenue is in the Sunnyside/Central Terrace Historic District. From the photos of the site, it appears the house has had a severe fire and warrants demolition.

If demolition for this structure is approved, Historic Resources staff requests that the Community Development Department have the structures professionally photo-documented and submit the photos to the Forsyth County Historic Resources Commission.
