

City Council – Action Request Form

Date: February 12, 2018

To: The City Manager

From: Gregory M. Turner, Assistant City Manager/
Toneq’ McCullough, Director of Transportation

Council Action Requested:

Approval of an Ordinance Amending Section 42-97 of the City Code Relating to Weight Limitations on Thru Traffic on Certain City Streets (Northeast Ward).

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

City Code allows the City to ban thru vehicles over a certain register weight when there are better street alternatives for those vehicles to use.

The Department of Transportation recommends amending an existing zone located on 15th Street by deleting the section between Ivy Avenue and Harriet Tubman Drive. This will actually allow for a more restrictive truck zone since the current zone includes a truck destination and under the Ordinance trucks are allowed to enter a Thru Truck Prohibition Zone to access a destination reducing the zone eliminates this problem.
