LETTER OF TRANSMITTAL

Greetings,

It is my pleasure to present the Minority & Women Business Enterprise (M/WBE) Program Annual Report for Fiscal 2021-2022.

Since 1983, the City's M/WBE Program has proactively worked to increase the participation of minority and women-owned businesses by implementing programs that provide assistance and training to M/WBE firms, revising policies that are an impediment to equal opportunity of participation for M/WBE businesses, and supporting the development of M/WBE firms.

Despite the economic disruption caused by the COVID-19 pandemic, M/WBEs have proven to be a crucial component in our economy. During fiscal year 2021-22, overall spending with M/WBE firms totaled \$16.1 million. The City looks forward to continuing to provide tools necessary for the growth and success of M/WBEs.

Some accomplishments throughout this fiscal year include:

- Purchase orders for "goods and services" placed with M/WBE businesses totaled \$10.5 million, surpassing the previous fiscal years.
- 121 M/WBE vendors joined the city's vendor listing database electing to receive weekly communications regarding city and local agency business resources for M/WBEs.
- During fiscal year 2021-22, the M/WBE division provided technical assistance to 244 M/WBE vendors

We thank the Mayor, Mayor Pro Tempore, and City Council for their commitment to expanding opportunities and access to M/WBE businesses.

Sincerely,

Jakira Westbrook,
Business Inclusion Manager

PROGRAM OVERVIEW

Since 1983 it has been the policy of the city of Winston-Salem to provide minorities and women equal opportunity to participate in all aspects of city contracting and purchasing programs, including but not limited to, participation in procurement contracts for commodities and services as well as for contracts relating to construction, repair work and/or leasing activities.

It is further the policy of the city of Winston-Salem to prohibit discrimination against any person or business in pursuit of these opportunities on the basis of race, color, sex, religion or national origin and to conduct its contracting and purchasing programs so as to prevent such discrimination.

Through the Minority/Women-owned Business Enterprise Program, the city of Winston-Salem -- in concert with other local, state and federal agencies, and with the assistance of minority groups and agencies -- works to seek and identify qualified minority and women business enterprises and offer them the opportunity to participate as providers of goods and services to the city.

The M/WBE program is administered by the Minority/Women-owned Business Enterprise Division of the Office of Business Inclusion & Advancement.

The division organizes workshops and seminars for minority- and women-owned businesses. In addition, the division works to ensure that minorities and women have the opportunity to do business with the city, including contracts for:

- Commodities
- Construction and repairs
- Leasing and maintenance activities.
- General, professional, and other services
- All purchasing by departments or divisions that is classified as discretionary spending.

The division provides staff support for the M/WBE Advisory Committee in setting and monitoring participation goals for construction projects.

The M/W BE Division also maintains a database of M/WBE vendors as a resource for city departments and divisions and for the general public. The database allows the city to be proactive in soliciting bids from M/WBE businesses for upcoming projects. During 2021-22, 121 M/WBE vendors were added to the database.

M/WBE ADVISORY COMMITTEE

The M/WBE Advisory Committee was established by a resolution adopted by the City Council on Nov. 10, 1987. The committee is responsible for reviewing the city's M/WBE program, for evaluating the good-faith effort of contractors to meet the city's goals for M/WBE participation in city projects, and for making appropriate recommendations to City Council.

The committee's members are appointed by City Council upon the recommendation of the Mayor. Members may serve no more than two consecutive terms. The committee meets once per month.
