Applying for Board/Commission (enter one): African American Heritage Initiative

Why are you interested in serving on that Board/Commission? My first job out of college was as Asst Dir. at Historic Bethabara Park. I participated

in various projects with the AA Heritage group led by the late Dr. Rice while with the City. That experience allowed me to advocate and fundraise for two major AA events hosted in my hometown, the CIAA and the National Black Theatre Festival. I now work for the Methodist church, which has one of the largest and richest resources for black history. I desire to be involved again to support gathering and storing church records which can be used for family genealogies and preserving photographs of many untold stories about Winston Salem's rich heritage.
