

**City Council – Action Request Form**

**Date:** May 10, 2021

**To:** Mayor, Mayor Pro Tempore, and Members of the City Council

**From:** Damon Dequenne, Assistant City Manager  
Toneq' McCullough, Director of Transportation

**Council Action Requested:**

Ordinance Designating On-Street Handicap Parking Spaces on North Marshall Street.  
(Northwest Ward)

**Strategic Focus Area:** Quality Transportation

**Strategic Objective:** Improve Integrated Road Network

**Strategic Plan Action Item:** No

**Key Work Item:** No

**Summary of Information:**

The Department of Transportation received a request from the developer of the property located at 418 North Marshall Street to install two on-street handicap parking spaces. The developer indicated that the spaces will be used by clients frequenting the future tenant of the building. The installation of a new curb ramp will be required. Attached is a map of the proposed location of the handicap spaces.

**Committee Action:**

**Committee**      Public Safety 5/10/2021      **Action**      Approval

**For**      Unanimous      **Against**
