Summary of Information

On December 1, 2025, the Mayor and City Council passed a resolution authorizing the City to acquire property interests for the Barbara Jane Sidewalk Project. On one of the properties owned by Christopher Sewell (PIN 6845-48-0477, 525 Barbara Jane Ave.), the City acquired 212 square feet of real property in fee simple. In order to get right-of-way certification from NC DOT for this project, that acquisition must be recategorized as right-of-way. The accompanying resolution will authorize the City to dedicate to itself these 212 square feet as right-of-way in order to allow NC DOT to certify the right-of-way for this project so that the City may move forward with the construction process.
