Subject: [EXTERNAL] Case W-3527

David,

VERY OPPOSED TO CHANGE OF ZONING. KEEP RESIDENTIAL!

My family and I live at 302 Gloria Ave just a few blocks from this lot. We are VERY opposed to making this a commercial/retail property. A business there MAKES NO SENSE! Drive by and see. It is clearly within the residential section of our neighborhood which has clearly a designated merchants area not far away. (Would love to have their business there!)

We have lived in the WP Neighborhood for 20 years- invested ourselves in fixing up 7 properties in this neighborhood and still own 3 properties here and have raised our children here. We LOVE the WP. Please don't rob our neighborhood of its residential integrity. A business there MAKES NO SENSE. Drive by and see. We would be very excited to see such development in our merchant area.

Thank you for your time.

Joseph Tappe and family
