

APPROVAL
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3476
(SALEM CONGREGATION)

The proposed zoning map amendment from C (Campus) to IP (Institutional and Public) is generally consistent with the recommendations of the *Legacy Comprehensive Plan* to promote compatible infill development that fits within the context of its surroundings and to promote and revitalize older neighborhoods in GMAs 1 and 2. Furthermore, the *South Central Area Plan Update (2014)* recommends institutional use of the site. Therefore, approval of the request is reasonable and in the public interest because:

1. The site is adjacent to other institutional uses and new institutional development here provides an opportunity for further neighborhood revitalization.
