**Project Description:**

An economic development project code named Project Renaissance involves a leading manufacturer and global supplier of disposable medical supplies serving the hospital systems, healthcare providers, and medical device companies. The company currently depends on manufacturing operations outside of the country and seeks to reshore production back to the United States. The company is considering a building in Winston-Salem, as well as other communities in North Carolina, Virginia, and Texas.

Project Renaissance is seeking financial assistance to reduce its capital outlay associated with the facility, which would create 36 new jobs at an average wage of \$57,500. Taxable capital investment is expected to total \$15 million over the first five years of the project (\$1.5 million in real property and \$13.5 million in machinery and equipment).

The recommended level of assistance represents 50% of the net, new property taxes expected to be generated by the project over its first five years.

**City Program being used?**

Economic Development Direct Assistance

**Public Policy Justification/Consistency with approved plans (if so, specify which plan):**

Stimulation of the local economy through the creation of new jobs and investment.
