

RESOLUTION #21-0120
2021 RESOLUTION BOOK, PAGE 56

RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO AN AGREEMENT WITH STANTEC CONSULTING SERVICES, INC. FOR PROFESSIONAL ENGINEERING SERVICES FOR THE RETIMING AND COORDINATION IN THE CENTRAL BUSINESS DISTRICT

WHEREAS, the City of Winston-Salem Central Business District contains 61 traffic signals in a gridded network that are programmed to run coordinated timing plans throughout the day to allow traffic to progress along major corridors in the downtown area; and

WHEREAS, significant changes to the downtown street system caused by modifications to the interchanges related to the Business 40 project and the future two-way conversion of several downtown streets, have created a need for all traffic signal timing plans to be reevaluated; and

WHEREAS, in July 2020, the City of Winston-Salem solicited proposals from various professional consulting firms; and

WHEREAS, firms were asked to provide a proposal that would include traffic counts, traffic modeling, corridor analysis, design and implementation of corridor traffic signal timing plans for during and after the two-way conversion projects, and optimizing corridor progression after implementation; and

WHEREAS, a selection committee consisting of city staff from various departments evaluated the proposals based on M/WBE commitment, business location, manpower commitment, qualifications and experience, as well as understanding of the project; and

WHEREAS, based on the proposals that were received, Stantec Consulting Services received the highest score.

NOW, THEREFORE, BE IT RESOLVED that the Mayor and the City Council of the City of Winston-Salem authorize the City Manager to enter into an agreement with Stantec

**Winston-Salem City Council
APPROVED
March 22, 2021**

Consulting Services, Inc. for professional engineering services for the Retiming of Traffic Signals in the City of Winston-Salem Central Business District for a fee of \$294,600.
