To Mr. Roberts and whom it may concern;

On behalf of Big Tyme, our plans to expand will benefit and provide quality and affordable beauty/health services to those in our community. For the past 6+ months, our team have reached out to 20-30 local citizens inquiring on their thoughts, feedback and objection to the idea. We have yet to receive any opposition. We have attached a representative sample of the feedback in the support of the expansion from our community.

Sincerely, Jonathan Brown on behalf of Big Tyme

I am in favor of Big Tyme expanding their business. I am 73 years old and live close by. It would be nice to get a manicure or a massage without having to go to Kernersville.
