> Please consider this letter a formal protest in opposition to the proposed rezoning cases W-3600 and W-3601. These rezoning request would change forever and drastically the Reynolda Park, Arbor Place and Boston-Thurman Neighborhoods by over populating the area with high density residential units.

>

> If allowed the proposed changes would create traffic congestion making roads less safe for vehicles, pedestrians and bicyclist. In addition, the historical character of the neighborhood would be changed forever.

>

> I respectfully ask that you deny this rezoning request.
