Strategic Focus Area: Economic Vitality and Diversity

Strategic Objective: Yes

Strategic Plan Action Item: Develop and Redevelop Commercial/Industrial Business Park Sites

Key Work Item: No

Summary of Information:

Periodically the City and the North Carolina Department of Transportation (NCDOT) staff review streets located within the corporate limits of the City of Winston-Salem to determine if any streets should be changed from the NCDOT system to the City system or changed from the City system to the NCDOT system.

A resolution approving these changes is needed from the City Council for consideration by the NCDOT. The changes reflected in this resolution include:

1.42 miles of Reynolds Blvd to be transferred from the NCDOT system to the City System.

This transfer will occur immediately after NCDOT has resurfaced and restriped Reynolds Blvd. Transferring this roadway from the NCDOT system to the City system will expedite design and construction for the redevelopment of Whitaker Park and the extension of Shorefair Drive. The appropriate Powell Bill Funds will be available for this street. A description and limit for this street is attached.
