

City Council – Action Request Form

Date: December 10, 2018

To: The City Manager

From: Damon Dequenne, Assistant City Manager
Robert Prestwood, City Engineer

Council Action Requested:

Consideration of a resolution authorizing the City Manager to enter a Service Agreement with Duke Energy Carolinas, LLC for the installation of lighting along Martin Luther King, Jr. Drive. (East Ward)

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

In 2014 the City of Winston-Salem entered into an agreement with NCDOT for the Martin Luther King, Jr. Drive Streetscape Improvements project, between Bus-40 and US Hwy 52. The scope of this project includes landscaping, pedestrian crosswalks, fencing, signage, public art, concrete median, and enhanced lighting.

The enhanced lighting portion of this project will require Duke Energy to install approximately 100 new poles and luminaires.

The attached resolution authorizes the City Manager to enter into a Service Agreement with Duke Energy Carolinas, LLC, for the installation of enhanced lighting as part of the Martin Luther King, Jr. Drive Streetscape Improvements project. The estimated cost is \$345,000.00. Funds for these expenses have been previously appropriated; therefore, a budget amendment is not necessary.
