*Proponents:*

*Charlie Heritage, South Creek Development, 7204 West Friendly Avenue, Suite C, Greensboro, NC 27410*

*Mr. Heritage gave a presentation on behalf of South Creek Development. He explained their process of notifying neighbors of the proposed petition, including two meetings held to listen to concerns of the neighborhood, and help alleviate those concerns.*

*Gina Jarrett, 4161 Greenmead Road, Winston-Salem, NC, 27106*

*Ms. Jarrett spoke on the need for affordable housing communities for seniors in communities, as retirement communities often have long wait lists and many older people do not qualify for assisted living or nursing homes. She also noted the development company has gone above and beyond what is required.*

*Charlene Rickard address not given.*

*Ms. Rickard noted she got the dates mixed up, and wanted to speak regarding a separate topic. She said she would come back to address the Mayor and City Council again at the next Public Comment Period.*

*Opponents:*

*Chelsea Smith, 4231 Witherow Road, Winston-Salem, NC 27106*

*Ms. Smith expressed concerns of flooding due to more construction in the neighborhood, as well as the increased traffic that would potentially come with the new development. She also noted she did not believe this was an appropriate area for this kind of development, as the houses were all one and two story homes.*

Stephanie Ingram, 4051 Winchester Road, Winston-Salem, NC 27106

*Ms. Ingram spoke about concerns of increased flooding of the surrounding neighborhood, as well as the issue of trying to exit the area onto Reynolda Road.*

Larry Southerland, 3801 Tangle Lane, Winston-Salem

*Mr. Southerland spoke regarding the negative impact of traffic on both Briarcliffe Road and Reynolda Road, and suggested a study be done to assess the impacts of the traffic and flooding from this new development.*

Paula, Town and Country – complete address not given.

*Ms. Paula spoke of concerns regarding the maximum number of people allowed in a two bedroom being five people, as well as the flooding and runoff issues of the area.*

Charles Dickson, 3136 Shannon Drive, Winston-Salem

*Mr. Dickson expressed concern over the increase of traffic in an area already heavy with traffic, and noted he did not believe the current infrastructure could handle a development of this size.*

*Rebuttal Proponents:*

Charlie Heritage, South Creek Development, 7204 West Friendly Avenue, Suite C, Greensboro, NC 27410

*Mr. Heritage explained that while the maximum number of people for a two bedroom apartment is five and for a one bedroom apartment is three, they have never had that many people in any of their senior developments. He noted the current average age is 69, with mostly single seniors and widows. He said this was a great transition, as another three story development was across the street, and this sort of development would have less trips per day, regarding traffic, than a commercial business.*

*Rebuttal Opponents:*

Hoyt Beard, 4251 Witherow Road

*Mr. Beard questioned if any public funds were being used for this development, and how that may affect the requirement of occupants being 55 years or older.*

Larry Southerland, 3801 Tangle Lane, Winston-Salem

*Mr. Sutherland said without a traffic study, the impact of this development is unknown, because Reynolda Village is not yet finished.*

*Mayor Joines closed the Public Hearing and recognized Aaron King, Planning and Development Services Director, for the staff report.*

*Discussion ensued among Council Members regarding this zoning petition.*

**A motion was made by Council Member MacIntosh, seconded by Council Member Clark, for approval of: (1) The Statement of Consistency for approval of this item**

**and (2) W-3401. The motion carried by the following vote:**

**Aye: Council Member Larson, Council Member Clark, Council Member Besse, Council Member Scippio, Mayor Pro Tempore Burke, Council Member Adams, and Council Member MacIntosh**

**Nay: Council Member Taylor**
