Stevie Dulin, Director of Sanitation

Subject:

Information Item on 2023 Leaf Collection

Strategic Focus Area: Livable Neighborhoods

Strategic Objective: N/A

Strategic Plan Action Item: No

Key Work Item: No

The Sanitation Division currently services an estimated 81,600 households within the city limits with leaf collection each year. The Sanitation Curbside Leaf Collection program is responsible for collecting leaves in four quadrants around the City of Winston-Salem consisting of 28 leaf routes. Each quadrant will receive three collections during leaf season which starts in November and runs through January.

The presentation will update City Council on the changes in the upcoming leaf collection season, and strategies for improving the process from the previous year.
