Hi Ellie,

I hope this email finds you well. Earlier today, my colleague William mentioned that he had spoken with you regarding our rezoning efforts for 2100 Glendale St.

I wanted to follow up with you and provide our official written statement regarding the recent developments:

On March 28th, we took the initiative to distribute flyers to property owners in the surrounding area to inform them about the proposed rezoning. The flyers outlined our plans and encouraged recipients to contact us by April 4th if they had any questions or concerns. As of now, we have not received any feedback or responses from the local community regarding our proposal.

Could you kindly confirm whether we are scheduled to be on the agenda for the planning meeting on April 11th? We want to ensure that we are prepared and ready to present our case.

Thank you for your attention to this matter, Ellie. I appreciate your assistance and look forward to hearing back from you soon.
