Subject: [EXTERNAL] UDO-CC15-Accessory Dwelling Units,

Dear City/County Planning Board Members,

The North Winston Neighborhood Association (A NorthEast Neighborhood and Community) has just learned about the newly proposed city ordinance, UDO-CC15-Accessory Dwelling Units, that is on the 11.10.2021 City/County Planning Board Agenda for public comment.

Given how detailed and technical this proposed ordinance is, my neighborhood association; North Winston Neighborhood Association needs more information and public discussion about this very impactful proposed ordinance concerning Accessory Dwellings in our single-family residential neighborhoods.

Therefore, please postpone consideration of UDO-CC15-ADUs until the City of Winston-Salem can hold community-wide information meetings on UDC-CC15-ADUs.

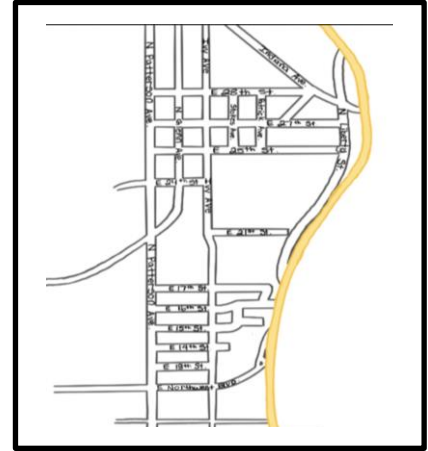

Sincerely yours,
Bishop Edward Allen, President
