**Seed Funding*

CAAC Recommendation: Fund currently funded agencies at the same level as last year, with the exception of Hoops4L.Y.F.E and My Brothers Second Chance. Both of these agencies have received seed funding for two years and the committee did not recommend funding through the regular process. The committee recommends adding \$5,000 for Beating up Bad Habits and YAMM (Youth Achieving Moral Maturity).
 SOAR Contingency: \$10,000 for Agency Capacity Building Trainings.
