CM Larson,
The Site Analysis and Master Plan for Washington Park are large files so I am sending them via our information exchange.

REMARKS: We can provide large scale plans on boards for your use in presenting to the Recreation and Parks Committee, City Council, etc. as needed. We can also attend these meetings if you'd like, it's currently an additional service to our contract.

I have also included the Preliminary Opinion of Probable Cost Estimate we prepared as well. Please let me know if you have any questions or comments.

Thanks, Kimberly
