Summary of Information

****This item is solely to make a \$20,000 price correction to the award made on October 6, 2025.**

City Council approved Resolution #25-0332, authorizing a purchase order to Velocity Truck Center for two automated side-loading refuse trucks in the amount of \$426,023.38 each and a total price of \$852,046.76. When Fleet Services went to enter the purchase order, they noticed a typographical error was made compared to the quote from Velocity Truck Center. The correct price of each vehicle is \$436,023.38, bringing the total cost for both vehicles to \$872,046.76.

The attached resolution corrects the price error.
