

STATE OF NORTH CAROLINA

INTERLOCAL LEASE AGREEMENT

FORSYTH COUNTY

This INTERLOCAL LEASE AGREEMENT, made and entered into _____, 20____, by and between FORSYTH COUNTY ("Landlord"), a political subdivision of the State of North Carolina, and the City of Winston-Salem, North Carolina, a municipal corporation organized under the laws of the State of North Carolina ("Tenant");

For the purpose and subject to the terms and conditions hereinafter set forth, the parties agree that Landlord shall lease to Tenant the properties hereinafter set forth.

1. PREMISES. Landlord, for and in consideration of rent, conditions, and consideration hereinafter mentioned, provided for and covenanted to be paid, kept and performed by Tenant, leases to the Tenant 3,562 rentable square feet of space in the Public Safety Center, located at 301 N Church Street, Winston-Salem, North Carolina. An additional 533 square feet of space is included in the Agreement for Tenant's nonexclusive use of common areas. Tenant's total usable square footage is 4,095 square feet as shown in Exhibit A, attached hereto and incorporated herein by reference (hereinafter called the "Premises").

2. TERM. The Tenant shall have and hold the Premises for a term of twenty years beginning on the Effective Date on which Tenant takes possession for the purpose of upfitting the Premises or July 1, 2023, unless sooner terminated as hereinafter provided. Tenant retains the option to renew the agreement for two consecutive ten-year periods. Notwithstanding anything to the contrary herein, either party may terminate the Agreement, for any reason or for no reason, by providing written notice of at least 180 days.

3. RENTAL. Tenant agrees to pay Landlord without demand, deduction or set off, a rental amount of \$7.27 per usable square foot for the Premises. Tenant's base year monthly payment shall be \$2,480.89 due the first day of each month. Upon each anniversary of the lease commencement, the annual rental amount shall increase by the change from prior year in Consumer Price Index, All Urban Consumers (CPI-U), all items, not seasonally adjusted, as published by the Bureau of Labor Statistics.

4. LATE CHARGES. If rent payment is not postmarked or hand delivered within 15 days after it becomes due, Tenant shall pay Landlord, as additional rental, a late charge equal to five percent (5%) of the overdue amount, plus any actual bank fees incurred for returned or dishonored checks. The parties agree that such a late charge represents a fair and reasonable estimate of the cost Landlord will incur by reason of such late payment.

5. UTILITIES. Landlord shall provide all utilities to include, but not limited to, electric, water, stormwater, sewer, and gas. Tenant shall be responsible for providing telephone, and internet services to the Premises.

6. USE OF PREMISES. The Premises shall be used solely for the purpose of operating a 24/7 emergency communications center for the Winston-Salem Police Department. The Premises shall not be used for any illegal purposes, housing of staff or clientele, or in any manner to create any nuisance or trespass, nor in any manner to vitiate the insurance or increase

the rate of insurance on the Premises. During the Term of this agreement, the Tenant shall abide by all building rules and regulations as outlined in Exhibit B.

In the event Tenant's use of the Premises results in an increase in the rate of insurance on the Premises, Tenant shall pay to Landlord, upon demand and as additional rental, the amount of any such increase. Upon written demand, Landlord will provide documentation demonstrating the cause and amount of such increase. This Lease shall be terminated immediately if the Premises are no longer used for the purpose set forth herein.

7. **INDEMNITY; INSURANCE.** To the extent permitted by law, Tenant agrees to and hereby does indemnify and hold Landlord harmless against all claims for damages to persons or property by reason of Tenant's use or occupancy of the Premises, and all expenses incurred by Landlord because thereof, including attorney's fees and court costs. If Tenant does not indemnify and hold Landlord harmless for such claims and expenses, Landlord shall have the option to terminate the Lease or to increase the rental amount. Supplementing the foregoing and in addition thereto, Tenant shall during the term of this Lease and any extension or renewal thereof, and at Tenant's expense, maintain in full force the following insurance coverage:

- a) Commercial General Liability Insurance. The Tenant shall maintain occurrence version commercial general liability insurance or equivalent form with a limit of not less than \$1,000,000 each occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than three times the occurrence limit. Tenant is allowed to self-insure the general liability insurance limit required. Such insurance shall:
 1. **Include Forsyth County, its officials, officers, and employees as additional insureds** with respect to performance of the Services. The coverage shall contain no special limitations on the scope of protection afforded to the above listed insureds.
 2. Be primary with respect to any insurance or self-insured retention programs covering the County, its officials, officers, and employees.

- b) Commercial Property Insurance. The Landlord is responsible for maintaining real property insurance for the Premises located at 301 N. Church Street, Winston-Salem, North Carolina. The Tenant is solely responsible for maintaining insurance coverage for any improvements made to the Premises(building) by the Tenant and any business personal property of the Tenant. In no event will the Landlord be required to repair or replace any improvements or personal property owned by the Tenant, its employees, or contractors. Each party agrees that with respect to any losses covered by property insurance under the terms of this lease, each party hereby waives and releases the other, its officials, officers, employees, and agents, from any and all claims or responsibility with respect to such losses including losses arising out of the inability to conduct business. Each party further agrees that its insurance companies shall have no right of subrogation against the other on account of this release.

c) Workers Compensation Insurance and Business Automobile Liability Insurance. To the extent required by North Carolina law, or by any other applicable federal, state, or local law or rule, Tenant shall maintain workers compensation insurance and business automobile liability insurance. Tenant is allowed to self-insure the workers' compensation and business automobile liability coverage required by North Carolina law, or by any other applicable federal, state, or local law or rule.

d) Other Insurance Requirements. The Tenant shall:

Furnish the County with properly executed certificates of insurance and/or a letter from the City of Winston-Salem's Risk Manager clearly stating the types of coverage self-insured by the City. The combination of the certificates and the letter shall clearly evidence all insurance required in this section.

1. Provide certified copies of endorsements and policies, if requested by the County, in lieu of or in addition to certificates of insurance.
2. Replace certificates, policies, and endorsements for any such insurance expiring prior to completion of the services.
3. Maintain such insurance from the time the lease commences until the lease is terminated.
4. Place such insurance with insurers authorized to do business in North Carolina and having A. M. Best Company ratings of not less than A:VII. Any alternatives to this requirement shall require written approval of the County's Risk Manager.

The Tenant understands and acknowledges that these insurance coverage requirements are minimums and that they do not restrict or limit the hold harmless provisions of this agreement.

8. SERVICES BY LANDLORD. Landlord shall be responsible for providing 24/7 access to the facility such that Tenant may enter the Premises at any time; janitorial services to the Premises, excluding COVID-19 disinfecting services; maintenance and repairs to building systems servicing the Premises, excluding repairs within the Premises, which shall be determined in the Landlord's sole discretion; capital repairs relating the building structure and building systems; and grounds maintenance services to the building, including snow removal. To the extent permitted by law, Landlord agrees to and hereby does indemnify and hold Tenant harmless against all claims for damages to persons or property by reason of Landlord's negligence in making or failing to make required repairs to building systems.

Landlord shall not be responsible for repairs rendered necessary by the negligence or intentional wrongful acts of Tenant, its agents, its staff, or its invitees. Nor shall the Landlord maintain any Tenant upfits to the Premises or property belonging to Tenant or provided or altered by Tenant. Tenant shall promptly report in writing to Landlord any defective condition known to it which Landlord is required to repair and failure to report such conditions shall make Tenant responsible to Landlord for any liability incurred by Landlord by reasons of such conditions.

9. SERVICES AND REPAIRS BY TENANT. Tenant shall be responsible for upfits within the Premises, as approved in writing by the Landlord and in accordance with the Schedule attached as Exhibit C, routine maintenance, repair, and replacement needs within the Premises, excluding needs which are the Landlord's responsibility as set forth in Section 8, capital repairs to Tenant upfits within the Premises, pest control services within the Premises, alarm monitoring services within the Premises, Access control and key control systems for the Premises, and Tenant's employees' safety. Exhibit C. shall be attached to the agreement and incorporated therein no later than the Effective Date as noted in "Section 2."

At the expiration of the Term, the Tenant agrees to return the Premises to the Landlord in as good condition and repair as when first received, natural wear and tear, damage by storm, fire, lightning, earthquake or other casualty alone excepted, but only to the extent not due to Tenant's negligence. Tenant, Tenant's staff, agents, contractors or subcontractors shall take no action which may void any manufacturers or installers warranty with relation to the Premises. Tenant shall indemnify and hold Landlord harmless from any liability, claim, demand or cause of action arising on account of Tenant's breach of the provisions of this paragraph.

10. ALTERATIONS. Except as permitted in the Agreement and the Schedule in Exhibit C, Tenant shall not make any alterations, additions, or improvements to the Premises without Landlord's prior written consent. Tenant shall promptly remove any alterations, additions, or improvements constructed in violation of this Paragraph upon Landlord's written request. All approved alterations, additions, and improvements will be accomplished in a good and workmanlike manner, in conformity with all applicable laws and regulations, and by a contractor approved by Landlord, free of any liens or encumbrances. Landlord may require Tenant to remove any alterations, additions or improvements (whether or not made with Landlord's consent) at the termination of the Lease and to restore the Premises to its prior condition, all at Tenant's expense. All alterations, additions and improvements which Landlord has not required Tenant to remove shall become Landlord's property and shall be surrendered to Landlord upon the termination of this Lease, except that Tenant may remove any of Tenant's machinery or equipment which can be removed without material damage to the Premises. Tenant shall repair, at Tenant's expense, any damage to the Premises caused by the removal of any such machinery or equipment.

11. REMOVAL OF FIXTURES. Tenant may (if not in default hereunder) prior to the expiration of this Lease, or any extension or renewal thereof, remove all fixtures and equipment which it has placed in the Premises, provided Tenant repairs all damage to the Premises caused by such removal.

12. DESTRUCTION OF OR DAMAGE TO PREMISES. If the Premises are totally destroyed by storm, fire, lightning, earthquake or other casualty, this lease shall terminate as of the date of such destruction. If the premises are damaged but not wholly destroyed by any such

casualties, rental shall abate in such proportion as effective use of the Premises has been affected and Landlord shall restore Premises to substantially the same condition as before damage as speedily as is practicable, whereupon full rental shall recommence. Tenant is responsible for insuring its personal property stored on the Premises, and Landlord shall not be responsible for any damage or loss to Tenant's property.

13. GOVERNMENTAL ORDERS. Tenant agrees, at its own expense, to comply promptly with all requirements of any legally constituted public authority made necessary by reason of Tenant's occupancy of the Premises. Landlord agrees to comply promptly with any such requirements if not made necessary by reason of Tenant's occupancy.

14. CONDEMNATION. If the whole of the Premises, or such portion thereof as will make the Premises unusable for the purposes herein leased, is condemned by any legally constituted authority for any public use or purpose, then in either of said events the term hereby granted shall cease from the date when possession thereof is taken by public authorities, and rental shall be accounted for as between Landlord and Tenant as of said date. Such termination, however, shall be without prejudice to the rights of either Landlord or Tenant to recover compensation and damage caused by condemnation from the condemner. It is further understood and agreed that Tenant shall not have any rights in any award made to Landlord by any condemnation authority.

15. ASSIGNMENT AND SUBLETTING. Tenant shall not assign this Lease or any interest hereunder, or sublet the Premises or any part thereof, or permit the use of the Premises by any party other than the Tenant.

16. EVENTS OF DEFAULT. To the extent allowed by law, the happening of any one or more of the following events (hereinafter any one of which may be referred to as an "Event of Default") during the term of this Lease or any renewal or extension thereof, shall constitute a breach of this Lease on the part of the Tenant: (a) Tenant fails to pay the rental as provided for herein; (b) Tenant abandons the Premises; (c) Tenant fails to comply with or abide by and perform any other obligation imposed upon Tenant under this Lease; (d) Tenant is adjudicated bankrupt; (e) A permanent receiver is appointed for Tenant's property and such receiver is not removed within sixty (60) days after written notice from Landlord to Tenant to obtain such removal; (f) Tenant, either voluntarily or involuntarily, takes advantage of any debt or relief proceedings under any present or future law, whereby the rent or any part thereof is, or is proposed to be reduced or payment thereof deferred; (g) Tenant makes an assignment for benefit of creditors; (h) Tenant's effects are levied upon or attached under process against Tenant, which is not satisfied or dissolved within thirty (30) days after written notice from Landlord to Tenant to obtain satisfaction thereof.

17. REMEDIES UPON DEFAULT. Upon the occurrence of Event of Default, Landlord may pursue any one or more of the following remedies separately or concurrently, without prejudice to any other remedy herein provided or provided by law; (a) if the Event of Default involves nonpayment of rental and Tenant fails to cure such default with five (5) days after receipt of written notice thereof from Landlord, or if the Event of Default involves a default in performing any of the terms or provisions of this Lease other than the payment of rental and Tenant fails to cure such default within thirty (30) days after receipt of written notice of default from Landlord, Landlord may terminate this Lease by giving written notice to Tenant and upon such termination shall be entitled to recover from Tenant damages as may be permitted under applicable law; or (b) if the Event of Default involves any matter other than those set forth in

item (a) of this paragraph, Landlord may terminate this Lease by giving written notice to Tenant and, upon such termination, shall be entitled to recover from the Tenant damages in an amount equal to all rental which is due and all rental which would otherwise have become due throughout the remaining term of this Lease, or any renewal or extension thereof (as if this Lease had not been terminated); or (c) upon any Event of Default (if Tenant has failed to cure such default after 30 days written notice), Landlord may, without terminating this Lease, re-let the Premises, in whole or in part, at the best price obtainable by reasonable effort, without advertisement and by private negotiations and for any term Landlord deems proper, with Tenant being liable to Landlords for the deficiency, if any, between Tenant's rent hereunder and the price obtained by Landlord on reletting, provided however, that Landlord shall not be considered to be under any duty by reason of this provision to take any action to mitigate damages by reason of Tenant's default. In the event Landlord hires an attorney to enforce its rights upon default, Tenant shall in addition be liable for reasonable attorney's fees and all costs of collection.

17.1 TERMINATION BY TENANT. If Landlord's breach of the Lease is of a material nature where the health or safety of Tenant, its officers, officials, or employees is placed in jeopardy, then Tenant may provide Landlord with written notice of the acts or omissions constituting the breach. Upon receiving such notice, if the Landlord has breached the Lease, such breach is of a material nature, and Landlord does not cure the breach or begin undertaking the work necessary to cure the breach within 30 days, Tenant shall have the right to terminate the Lease, provided that Tenant must pay Landlord all amounts owing as of the day of the termination.

18. EXTERIOR SIGNS. Tenant shall place no signs upon the outside walls or roof of the Premises, except with the express written consent of the Landlord. Any and all signs placed on the Premises by Tenant shall be maintained in compliance with governmental rules and regulations governing such signs and Tenant shall be responsible to Landlord for any damage caused by installation, use or maintenance of said signs, and all damage incident to removal thereof.

19. PARKING. The Landlord shall provide 7 onsite parking spaces for the Tenant's staff to use during the daytime shift and 15 onsite parking spaces for the Tenant's staff to use during the nighttime shift. The daytime shift shall be defined as being 7am – 7pm and the nighttime shift shall be defined as being 7pm – 7am.

Tenant shall be responsible for providing all additional parking needs for its staff, clients, agents, vendors, and invitees.

20. LANDLORD'S ENTRY OF PREMISES. Landlord may advertise the Premises For Rent or For Sale, by providing advanced notice of no less than 48 hours. Landlord may access the Premises with advanced notice to exhibit the Premises to prospective purchasers or tenants, or to inspect the Premises. However, the Landlord as well as its agents and vendors may access the Premises at any time to make repairs required of Landlord or to provide services under the terms hereof or to make repairs to Landlord's adjoining property, if any.

21. EFFECT OF TERMINATION OF LEASE. No termination of this Lease prior to the normal ending thereof, by lapse of time or otherwise, shall affect Landlord's right to collect rent for the period prior to termination thereof.

22. MORTGAGEE'S RIGHTS. Tenant's rights shall be subject to any bona fide mortgage, deed of trust or other security interest which is now or may hereafter be placed upon the Premises by Landlord. Tenant shall, if requested by Landlord, execute a separate agreement reflecting such subordination, and shall be obligated to execute such documentation as may facilitate Landlord's sale or refinancing of the Premises, including, but not limited to estoppel certificates, subordination or attornment agreements.

23. QUIET ENJOYMENT. So long as Tenant observes and performs the covenants and agreements contained herein, it shall at all times during the Lease term peacefully and quietly have and enjoy possession of the Premises, but always subject to the terms hereof. Notwithstanding anything to the contrary herein, in the event Landlord shall sell or otherwise transfer its interest in the Premises, Tenant agrees to attorn to any new owner or interest holder and shall, if requested by Landlord, execute a separate agreement reflecting such attornment, provided that said agreement requires the new owner or interest holder to recognize its obligations and Tenant's rights hereunder.

24. HOLDING OVER. If Tenant remains in possession of the Premises after expiration of the term hereof, with Landlord's acquiescence and without any express agreement of the parties, Tenant shall be a tenant at will and there shall be no renewal of this Lease by operation of law. If Tenant remains in possession of the Premises after expiration of the term hereof without Landlord's acquiescence, Tenant shall be a tenant at sufferance and commencing on the fraction thereof during which Tenant so remains in possession of the premises, be twice the monthly rental otherwise payable under Paragraph 3 above.

25. RIGHTS CUMULATIVE. All rights, powers and privileges conferred hereunder upon parties hereto shall be cumulative and not restrictive of those given by law.

26. WAIVER OF RIGHTS. No failure of Landlord or Tenant to exercise any power given hereunder or to insist upon strict compliance of its obligations hereunder and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Landlord's or Tenant's right to demand exact compliance with the terms hereof.

27. ENVIRONMENTAL LAWS. Tenant shall be liable for all environmental damage, liability or cost, including reasonable attorney's fees, arising out of Tenant's use of the Premises and shall defend and hold Landlord harmless from any claims or actions relating to environmental damage, spills, exposure or other effects caused by Tenant within the Premises. Tenant shall comply with all federal, state, and local laws, ordinances, and regulations. Tenant shall not bring unto the Premises any Hazardous Materials without the prior written approval by Landlord. Any approval must be preceded by submission to Landlord of appropriate Material Safety Data Sheets (MSDS Sheets). In the event of approval by Landlord, Tenant covenants that it comply with all requirements of any constituted public authority and all federal, state, and local codes, statutes, rules and regulations, and laws, whether now in force or hereafter adopted relating to Tenant's use of the Premises, or relating to the storage, use, disposal, processing, distribution, shipping or sales of any hazardous, flammable, toxic or dangerous materials, waste or substance, the presence of which is regulated by a federal, state, or local law, ruling, rule or regulation (hereafter collectively referred to as "Hazardous Materials"); (2) comply with any reasonable recommendations by the insurance carrier of either Landlord or Tenant relating to the

use by Tenant on the Premises of such Hazardous Materials; (3) refrain from unlawfully disposing of or allowing the disposal of any Hazardous Materials upon, within, about or under the Premises; and (4) remove all Hazardous Materials from the Premises placed upon, released into or introduced to the Premises by Tenant, it's agents, contractors, employees, clients, or invitees, either after their use by Tenant or upon the expiration or earlier termination of this Lease, in compliance with all applicable laws.

28. TIME OF ESSENCE. Time is of the essence in this Lease.

29. ABANDONMENT. Tenant shall not abandon the Premises at any time during the Lease term. If Tenant shall abandon the Premises or be dispossessed by process of law, any personal property belonging to Tenant and left on the Premises shall, at the option of Landlord, be deemed abandoned, and available to Landlord to use or sell to offset any rent due or any expenses incurred by removing same and restoring the Premises.

30. DEFINITIONS. "Landlord" as used in this Lease shall include the undersigned, its representatives, assigns, and successors in title to the Premises. "Tenant" shall include the undersigned and its representatives, assigns and successors, and if this lease shall be validly assigned or sublet, shall include also Tenant's assignees or sublease as to the Premises covered by such assignment or sublease.
