Subject: [EXTERNAL] Salisbury Ridge Rezoning

Good afternoon, Amy.

I hope you are doing well. I am reaching out in support of the rezoning on Salisbury Ridge Road. I live just 5 houses down from the property in question and am wholeheartedly in favor of the rezoning for The Flour Box to be able to operate in this location.

My husband's family has been on this corner of Salisbury Ridge for more than 80 years now and has seen many changes take place though the decades. He has also served on the neighborhood association board for nearly ten years.

I learned about the proposal when attending the meeting held at the library and was so pleased with what I gleaned from the meeting, while also saddened that only one other resident from the neighborhood choose to attend. It is my true hope that this will rezoning will be granted and that The Flour Box will become a place where we as neighbors will be able to gather and become more invested in the lives of one another, especially after the increased distance brought about by COVID. It would also be very encouraging to me to see our neighborhood supporting this woman owned business.

I believe that the addition of The Flour Box to our little section of the street would add some much needed charm, loveliness and hospitality. I believe Milla and her business have so much more to offer to the neighborhood than the rezoning could ever cost us.

I plan to be in attendance at the Planning Board Meeting this Thursday, but wanted to share my support ahead of that.

Thank you so much for your time.

Sincerely,

Amanda Burcham
