Council Action Requested:
Resolution Approving the Easton Neighborhood Traffic Calming Plan for Funding and Construction (Southeast Ward)

Strategic Focus Area: Quality Transportation
Strategic Objective: Improve Integrated Road Network
Strategic Plan Action Item: No
Key Work Item: No

Summary of Information:

In accordance with the City of Winston-Salem's Traffic Calming Policy, approved by the City Council in 2003 and modified in 2016, residents of the Easton Neighborhood formed a Traffic Calming Task Force and submitted a petition for traffic calming. The traffic calming plan calls for speed cushions placed at regular intervals along the roadway and two multi-way stops. The Easton Neighborhood residents have completed all the required steps outlined in the policy, therefore, the Department of Transportation recommends approval and construction of the plan at a cost of $42,000. Funds are available in the Traffic Calming Projects account 304-533125-5497 that are already budgeted.

The plan is attached.
