Why are you
interested in serving?

As a 2023 City of Winston-Salem University graduate, I am eager to apply my knowledge and fresh perspective to serve our community. Joining a board or commission would allow me to continue to gain valuable insights into local government operations while making a meaningful contribution to Winston-Salem's development. I am deeply invested in the future of our community and passionate about contributing to its continued growth and prosperity.

I am particularly interested in the Affordable Housing Coalition, where I believe my background in Engineering and Project/Program Management would be beneficial. I am also interested in serving on the M/WBE Citizen Advisory Committee or the Community Appearance Commission (City-County).

My goal is to work collaboratively with other members to address key issues facing our city and help shape policies that will positively impact our residents' lives.
