Presentation on Temporary Signage

Strategic Focus Area: Livable Neighborhoods

Strategic Objective: No

Strategic Plan Action Item: No

Key Work Item: No

Over the past several months, the City has seen an increase in the amount of temporary signage located on both private property and within the public right-of-way. As the amount of temporary signage has increased, staff has received several questions about the City's enforcement ability and policies. Staff will be on hand at the December 10th CD/H/GG Committee meeting to provide a presentation about this matter.
