

DENIAL  
STATEMENT OF CONSISTENCY WITH COMPREHENSIVE PLAN W-3609  
(TIFFANY W. EVANS)

The proposed zoning map amendment from LO-S (Limited Office – Special Use) to RS9 (Residential Single Family, minimum 9,000 square foot lots) is generally inconsistent with the recommendations of the *Legacy Comprehensive Plan* and the *West Suburban Area Plan Update (2018)* for office and low-intensity commercial development. Therefore, denial of the request is reasonable and in the public interest because the request would allow single family development not recommended by the plan.
