Good morning,

Upon recently reviewing the new boundary lines in relation to the subdivision I live in, Glenn Acres, it appears the new boundary lines between the East ward and Southeast ward will divide our subdivision. Zooming in on the map for the proposed ward realignment, it looks like one side of Parnell RD is in one ward and the other side of Parnell RD is in another ward. The same can be said with Wyndham LN. My question is - has the Glenn Acres subdivision been split between the East and Southeast wards along Parnell RD and Wyndham LN? Can you confirm whether this is so or not? Thanks.

Regards,
