Applying for Board/Commission (enter one): Affordable Housing Coalition.

Why are you interested in serving on that Board/Commission?      I am currently volunteering on a regular basis at the overflow shelters that are run by City with Dwellings. This has made me very aware of the need our city has for affordable and subsidized housing.

What Board or Commission are you currently serving (if applicable)? NONE

Are you willing to serve on any other Board/Commission?      Yes

If yes, please list: Transportation Advisory Committee

Are you interested in serving in any other community volunteer activities?      No

Interests/Skills/Areas of Expertise/Professional Organizations: My MBA focused on finding solutions to various financial, operational and organizational issues through the use of small working groups, a necessary tool for working successfully on a Board or Commission. When I was based in Wyoming I worked closely with town planners on projects I was consulting on, and I have gotten to know some of the Forsyth County planners since moving back to Winston-Salem. I am a certified member of the North Carolina Dispute Resolution Commission, which has allowed me to further strengthened my ability to listen to others. I am a mentor for several Winston Starts start-up companies which requires me to work with others on business issues. I am a member of the Downtown Winston-Salem Partnership which allows me to get to know others in the community.
