

RESOLUTION AUTHORIZING A CHANGE ORDER TO NORTH STATE ENVIRONMENTAL, INC. IN THE AMOUNT OF \$137,661.18 FOR THE CONSTRUCTION WORK ON MILLER PARK STREAM RESTORATION PROJECT

WHEREAS, on September, 2016, the Mayor and City Council awarded a \$328,422.85 construction contract with North State Environmental, Inc. for the construction of Miller Park Stream Restoration project; and

WHEREAS, during construction the engineering consultant has recommended that the project should be lengthened approximately 560 linear feet to address deficiencies downstream and to maximize the benefits of the stream restoration project; and

WHEREAS, this additional work will include clearing access routes, minor grading of stream banks, placing substrate and structures in the existing stream, and planting new vegetation on disturbed areas; and

WHEREAS, based on previous change orders, the current contract value is \$330,348.37.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Winston-Salem that an increase in the purchase order in the amount of \$137,661.18 is authorized to the purchase order (#26495) issued to North State Environmental, Inc. to cover the cost of additional clearing access routes, minor grading of stream banks, the placement of structures in the existing stream, and planting new vegetation as part of the Miller Park Stream Restoration project.
