

# Crosby Scholars

For college. For life.

## Crosby Scholars Community Partnership

*Mission* To assist public middle and high school students in Forsyth County in preparing themselves for successful college enrollment or other post-secondary opportunities.

# Crosby Scholars Community Partnership

- A college access program that works directly with students and families free of charge, beginning in 6th grade, to plant the seeds of possibilities for college.
- Since 1992, the program has prepared students in Forsyth County academically, financially, and personally for successful college enrollment.
- Thanks to our affiliation with Goodwill of NWNC, a second Crosby Scholars Program was established in Rowan County in 2013 and a third in Iredell County in 2015.
- Serving 14,165 students total in 2023-24.

# 2023 Snapshot

**14,165**

**Students Served**

**1,054**

# OUTREACH

## **AAMPED**

The **African American Males Pursuing Educational Dreams** program ensures African American males have resources to achieve educational equity.

## **Excelencia**

**Excelencia** educates Hispanic girls and their families about the many opportunities that exist beyond middle and high school.

## **HLMS**

The **Hispanic Latino Male Success** program provides mentoring, as well as introduces career and STEM opportunities.

## **SHE**

The **Show, Help, Employ** program encourages underrepresented girls to learn about and pursue STEM careers.

## **LIGHHT Program**

The **LIGHHT** program stands for **Leadership, Integrity, Goals, Honesty, Healing, and Triumph**, and provides 1:1 mentoring, advising and programming for students in care.
