

Resolution #22-0042 (Personnel)  
2022 Resolution Book, Page 29

**RESOLUTION AMENDING ARTICLE II OF THE CITY OF WINSTON-SALEM  
PERSONNEL RESOLUTION TO ADD AND DELETE CERTAIN POSITION  
CLASSIFICATIONS, ADJUST THE PAY GRADES FOR SELECT POSITIONS, AND  
PROVIDE MINIMUM PAY ADJUSTMENTS FOR PAY GRADE CHANGES**

**WHEREAS**, the Human Resources Department periodically reviews the Personnel Resolution, in consultation with City management, to determine if the resolution needs to be updated; and

**WHEREAS**, the Human Resources Department periodically reviews job classifications, with the primary focus on evaluation to ensure positions are appropriately classified and compensated; and

**WHEREAS**, the Human Resources Department has determined a need to include additional pay classification job titles to reflect more accurately work being performed and to differentiate the work for similar positions; and

**WHEREAS**, several public works areas currently are understaffed significantly due to dozens of vacancies in equipment operator and front-line supervisor positions. Impacted work groups include Utilities Field Operations, Sanitation, Traffic Field Operations, and Vegetation Management; and

**WHEREAS**, the Winston-Salem Police Department is experiencing significant staff shortages in Public Safety Communications; and

**WHEREAS**, as part of the City's effort to fill these needs, City management recommends increasing the salary range for these positions by one pay grade; and

**WHEREAS**, City management also recommends a minimum salary increase of 5% with any change in pay grade if the employee's salary is already at the minimum of the newly assigned pay grade, provided the five (5) percent increase does not exceed the maximum of the newly assigned pay grade; and

**WHEREAS**, City management has approved the reclassification or regrade of select positions to reflect reorganizations, increased job duties and responsibilities, or salary adjustments for hard-to-fill positions.

**NOW, THEREFORE, BE IT RESOLVED** by the Mayor and City Council of the City of Winston-Salem that the following amendments to the Personnel Resolution are approved:

**SECTION I.** Article II. Compensation, Section 30 (a)(8).-General policy--Pay is hereby revised to revised as follows:

*“(8) Competitive market range/pay grade adjustment. When a competitive market range/grade adjustment occurs to reflect a general change in the external and/or internal compensation market level of a class, ~~there shall be no immediate change in an individual salary except when required to bring an employee’s salary up to the new minimum of the pay grade~~ employees in the assigned class will receive a sufficient percentage increase to place their salary at the minimum of the new pay grade but not less than five (5) percent. If the salary, prior to grade adjustment, is within the newly assigned pay grade, a five (5) percent increase in pay will be granted provided five (5) per cent will not exceed the maximum of the newly assigned pay grade. Such employees will retain their anniversary date. The city manager has the authority to enact procedures to initiate and manage competitive market range/pay grade adjustments.”*

**SECTION II.** Article II. Compensation, Section 30 (a)(11). General policy—Pay is hereby amended to delete certain classifications, add new classifications, and adjust the pay grades for select positions in the Revised General Pay Plan:

(11) *Pay grades and alphabetical listing of classifications assigned to pay plan.*
