Community Development/Housing/General Government Committee Meeting

Historic Resources staff has reviewed the four properties that are scheduled to go before the Community Development/Housing/General Government Committee on September 11, 2018 for demolition consideration. None of the properties are listed or eligible for listing on the National Register of Historic Places at this time.

Additionally, recent discussions at City Council and Council Committee meetings have indicated a concern for the loss of structures in historically African-American neighborhoods. None of the properties are located in historically African-American neighborhoods as presented in the latest survey documentation.
