

**RESOLUTION AUTHORIZING THE QUITCLAIM ABANDONMENT OF SEWER  
MAIN FIXTURES AND EASEMENTS FOR THE WINSTON SALEM STATE  
UNIVERSITY SCIENCE BUILDING PROJECT**

**WHEREAS**, Winston Salem State University (WSSU) has plans to construct a new building on Cromartie Street; and

**WHEREAS**, since the new building is situated on an existing sewer line, the project will require relocation of approximately 400 linear feet of an existing 12” sewer main; and

**WHEREAS**, to facilitate their expansion, WSSU has requested the abandonment of the existing sewer main and easement once the relocation is complete; and

**WHEREAS**, new sewer lines will be installed by WSSU in another location to replace the existing lines and thus, the existing lines and easements are no longer needed; and

**WHEREAS**, the City/County Utility Commission and staff are supportive of the request.

**NOW, THEREFORE, BE IT RESOLVED** that the Mayor and the City Council of the City of Winston-Salem, upon the recommendation of the Public Works Committee, hereby authorize the quitclaim abandonment of existing sewer main fixtures and sewer easements as described in the attached Exhibit A.

**BE IT FURTHER RESOLVED** that the appropriate City officials are hereby authorized to execute instruments required to complete the actions herein set forth.
