### **Summary of Information**

The City of Winston-Salem received a petition for the voluntary annexation of approximately 30.46 acres located at the intersection of Wallburg Road, Hayes Drive, and Union Cross Road at Tax Parcel 6863-56-3853.000.

City Council approved the annexation petition at the October 20, 2025, meeting; however, the Ordinance Extending the Corporate Limits included a clerical error that truncated the metes and bounds property description. All other information contained within the previous petition has remained static.

This action is to request the approval of an updated Ordinance that contains the property description in its entirety. Based on the above information, staff recommends approval of this request.

## **Analysis of Fiscal Impact**

As this request is simply intended to correct a clerical error, there is no projected fiscal impact.
