Summary of Information:

On October 26, 2022, the City entered into an agreement with Bliss Products and Services, Inc. of Lithia Springs, GA for \$95,050 for installation of poured in place rubber safety surfacing for Little Creek Park Playground.

During installation of the rubberized surfacing, it was determined that additional materials would be required at the base of the playground area. This required sixty additional tons of gravel and stone. To cover the cost of this additional material, a change order is requested to the contract with Bliss Products and Services, Inc. Based on current contract the value is \$95,050. This change order is \$8,000 and brings the current contract amount to \$103,050.

Funding is available to accommodate this change order from recreation maintenance project balances.
