Applying for Board/Commission (Enter One):	M/WBE Citizen Advisory Committee
What Board or Commission are you currently serving?	n/a
Why are you interested in serving on that Board/Commission?	<p>As an African-American resident of Winston-Salem and a recent graduate of Wake Forest University's Masters in Business Management program, I feel that the purpose and mission of the purpose of the M/WBE Citizen's Advisory Committee are crucial to the development of a better, fairer city. I am interested in serving on the committee not only because of its importance, but also because I am confident in my ability to contribute. I have a business mindset honed through my graduate education and through multiple corporate internships/consulting projects, making me an asset to the M/WBE Citizen's Advisory committee. Furthermore, my undergraduate degree in sociology helps me to understand the greater social context of business-related decisions. Though I have never served on a municipal committee, I have experiences serving on executive-reporting-level committees during my studies at Princeton and Wake Forest Universities. One final reason I want to serve on the M/WBE Citizen's Advisory Committee-- or any committee staffed by citizens-- is because I am a relatively new transplant to Winston-Salem, having arrived in 2019. I love my new hometown, and want to help bring my outsider's perspective to the table to help solve problems that impact our community.</p>
